PROFESSIONAL EXPERIENCE

Software Engineer   **December 2022 - January 2024**
Capgemini   *Mumbai, India*

- Collaborated with design and backend teams to implement UI/UX enhancements, utilizing React and Tailwind to create visually appealing interfaces, resulting in a 15% increase in user satisfaction and a 25% improvement in average session duration.
- Optimized codebase with React hooks and Tailwind's utility-first approach, reducing page load times by 30% and enhancing overall user experience.
- Integrated RESTful APIs into React applications, ensuring seamless data flow, which led to a 20% reduction in users' task completion time.
- Participated in code reviews and consistently adhered to company coding standards, contributing to a 25% decrease in post-launch bugs.
- Actively used Git for version control, contributing to team projects with efficient branch management and code merging practices.

SBM Overseas Website (Products & Services Showcase)   **October 2022**
Freelance Project   *Indore, India*

- Spearheaded the successful development of a freelance website, utilizing HTML, CSS, and responsive design principles to create a visually striking platform that exceeded client expectations.
- Collaborated with the client through 10+ meetings to thoroughly understand and meet their specific vision and brand requirements, ensuring a tailored and client-focused approach.
- Delivered a fully responsive website within a 2-week timeline, resulting in a 40% increase in user engagement and positive feedback from the client on design and functionality.

Java Technology Intern   **October 2019**
Amstech Inc   *Indore, India*

- Collaborated with senior developers to analyze and troubleshoot over 15 code issues, resulting in a 25% reduction in bug resolution time.
- Conducted 10+ code reviews to ensure adherence to coding standards, contributing to a 30% decrease in post-launch defects and maintaining high code quality.

Visual Content Development Intern   **May - August 2018**
Neuratech Innovations   *Indore, India*

- Created over 30 visually compelling graphics and motion design elements for various marketing materials, contributing to a 20% increase in engagement across social media and promotional channels.
